UNLOCKED SAMSUNG GALAXY S7

Discover more opportunities with the unlocked Samsung Galaxy S7—perfect for retail, healthcare and hospitality industries. Custom-built apps connected via a private Wi-Fi network can help increase employee productivity while controlling costs by eliminating carrier plans. Samsung Unlocked Smartphones combine the functionality of a tablet with the portability of a hand-held device.

RETAIL

Samsung Unlocked offers some of the best features for a retail setting, including mobile POS, inventory management, timecards & scheduling, and barcode scanning. Custom apps such as retail floor planning and planograms help maximize merchandising and store layout.

HEALTH AND WELLNESS

Samsung Unlocked is perfectly suited for all of the staff communication, on-call coordination and other administration needs of hospitals, clinics and personal physicians everywhere. Manage clinical workflow, medication and patient data, and patient care apps right from your phone.

HOSPITALITY

Maintenance and guest services personnel are constantly on the move and need to respond to immediate and priority customer service requests. Samsung Unlocked can help increase communications and operational efficiencies to exceed your guests' expectations.

PREMIUM DESIGN AND DISPLAY

The Galaxy S7 features a big 5.1 screen in an incredibly slim design that fits comfortably in the palm of your hand, offering easy, one-handed operation. The Quad HD super AMOLED display gives incredible detail, to make business apps clearer and easier to use.

UNLOCKED SAMSUNG GALAXY S7

MAXIMUM PRODUCTIVITY

Empower employees to stay connected with an all-day battery that offers fast adaptive and wireless charging. Expandable storage up to 256GB gives mobile workers the agility to pack more projects to go, and IP68 water resistance keeps them up and running in all environments and weather conditions. Designed for flexibility on the go, Samsung Knox data separation solutions keep work and personal data isolated, giving everyone peace of mind.

BEST-IN-CLASS SECURITY

Designed to protect companies in the most highly regulated industries, the Samsung Galaxy S7 features award-winning Samsung Knox security built into the hardware. This enhanced and upgraded version of the Knox platform provides even deeper integration with Android for Work and leading MDM providers, making it easier to deploy and monitor. In addition, the latest version of Knox Workspace supports Google Play for Work inside the container, Multi Window support, speech-to-text, and even more robust IT controls.
